## Choosing . . . like a maze

Choosing the path to take to get to where we're supposed to go can be as confusing as a maze. It may lead to several dead ends and courses of backtracking before it takes us to our destination. A lot of us know which way we want to go, it's making wrong choices and getting lost that confuses us. Then we usually spend double the time getting on the right track. We eventually reach it.

Others of us just wander blindly, hoping to reach it by chance, often never getting there.

Which would you prefer?  
It's your choice.

# Choices . . . may have effect

The choices we make in high school may have great effects on how much back-tracking we will have to do in the future. Some of them will have a permanent effect, but most won't and can be fixed with minor changing of our choices, such as which classes to take, what homework to do, whether or not to go to the games, and then what to do there.

We, the Hoofbeats staff, hope you can identify with some of the choices being shown.

# Student Council works for, with students

"This year the Student Council wants to work for the students" said Student Council President Jimmy Dodd when informing the school of Stuco's intentions for the year.

The involvement of the Student Council was projected by organizing the many school activities that took place.

They took part in the part of planning the dances, and all school projects. Among this was the Stuco sponsored raising of money for United Way. From Powder Puff games to bingo games, they raised a total of \$1,213.16 for the charity.

# Cheerleaders win spirit stick

Last summer the varsity and junior varsity squads went to a secluded cheerleading camp at Rock Springs, KS sponsored by the National Cheerleaders Association. At this time they received the honor of a spirit stick. A Spirit stick is given for outstanding performance, for friendliness and enthusiasm during their visit. They also received four first place ribbons and one second place ribbon. "Summer Camp is a necessity for the cheerleaders. It is a good time for the girls to not only perfect their skills, but to learn to work together as one. To me, the most important part of cheerleading is growing together through every experience and taking on each responsibility as one group . . ." said Jo Ann Chang, varsity head cheerleader.

One of the many jobs of the varsity cheerleaders and yell leaders is to promote and uphold spirit at varsity football and basketball games. Other activities include, fund raising drives, decorating halls, and supporting the teams in different activities.

Yell leaders, in their second year at Southeast have added extra spirit to the games added extra spirit to the games, along with tumbling, pyramids and double stunts.

## Women support teams

The junior varsity and sophomore cheerleaders participated in spirit activities and fund raising drives, along with cheering for the sophomore and junior varsity football and basketball teams.

"This year has been a challenge in showing spirit and enthusiasm in our school as well as at games," said Junior Varsity Head Cheerleader, Kristi Rains.

The inter-varsity cheerleaders cheered for girls' basketball, girls' volleyball and boys' baseball.

The Banner Girls' main purpose was to support the Southeast athletic teams, particularly gymnastics, swimming, tennis, track, baseball, golf, wrestling and cross country. In addition, they decorated halls, presented the players with refreshments, and showed spirit for these sports by attending them regularly.

"Banner Girls has meant a lot to me in a way that there are a lot of opportunities to meet new people, and get involved with the school," said head Banner girl, Ruthann Reese.

# Girls spark half-time electricity

Halftime electricity was generated by the pompon girls, color-guards, and twirlers. These girls added sparkles to the halftime festivities.

The pompon girls performed at all home varsity football and basketball games, along with supporting these teams with spirit activities.

The colorguards presented the black and gold flags at all home varsity football games. These girls worked closely with the band composing formations for the halftime spectacular.

Twisting knives, spinning flags, and whirling fire were the activities of the venturesom twirlers. They added their touch with creative twirling routines.

# The STAMPEDE

Wichita High School Southeast, Wichita, Kansas 67218

Vol. XXIII Issue No. 1, Sept. 22, 1978

The Southeast Journalism Department proudly placed number one in state competition last year. Some of the journalism competitors returned to Southeast as seniors and are trying to keep their coveted title. The Kansas Scholastic Press Association held a regional journalism contest which Southeast newspaper and yearbook journalists attended. The individual, first, second, and third place winners advanced to the state contest held at Kansas University. The Southeast student representatives were among these state-bound competitors. When they returned home, they held the state title along

with a first place trophy which they shared by tying with Kansas City high school, Schlagle.

The activities of the school, kept the Stampede staff busy throughout the year. The staff kept the student body informed as to what was happening in their school, in the bi-monthly school paper. The Stampede also gave coverage to the updating of clubs and organizations.

## 1979 Hoofbeats brings new staff, new ideas

This year's yearbook staff consisted of all newcomers. Each of these students had one prior year of journalism. To gain knowledge for the 1978-79 yearbook. Some of the staff went to a yearbook workshop during the summer located at Bethany College in Lindsborg Kansas. They were there three days and two nights all of which time they were kept busy doing assignments which would better their 1979 yearbooks. The staff spent seven months creating layouts, scheduling pictures, having them taken, ordering the pictures to exact measurements, pasting them down, writing copy, and cutlines, and meeting their deadlines. Their jobs were time consuming, which called for a lot of afterschool work.

"Considering this is the first year for the entire staff, I feel we have done an exceptional job in putting out the best yearbook Southeast has ever seen." said editor-in-chief Alan Oxford.

The photographers were also busy photographing and developing pictures for the yearbook.

"The yearbook staff has been an interesting experience due to the

people I have met and become associated with," said yearbook photographer David Holloway.

# Students initiated to honor groups

If one were to see students bowing on the floor in the halls, one might know the bowers were Thespian initiates. What one wouldn't know is how hard initiates must work to become members. Thespians is an honorary group of students interested in promoting theater in high school. To be a Thespian, one must complete certain qualifications, including earning 10 drama points, which are issued for working on or in a show, passing a one week initiation period, at which time initiates are issued guardians and

The Beech Foundation honored the S.E. Chapter of the National Honor Society with a banquet. The students attending the banquet qualified for membership in the organization, by displaying outstanding ability in academics. These students must also show superiority in leadership, character and service. Application for membership is open to juniors and seniors with an overall grade point average of 3.5 or higher.

Some journalism students who performed exceptionally well in various capacities on a school pub-

lication (Hoofbeats or Stampede) must follow the order's and rules set by the guardians, and finally, initiates must take a written examination about the Thespian history. If they can endure all this, they then are deemed worthy of becoming an honorary Thespian. were selected to become members of Quill and Scroll, an International Honor Society for High School Journalists. Initiation for new members was held at the Fourth Financial Center in March, at which time initiates from the other Wichita School met for the traditional initiation ceremony.

# N.F.L. rebuilds and updates; Chess Club "...considered...favorite"

There's more to a Chess Club than meeting to play chess. The members met everyday from 11:30 to 12:00 to study moves and better their individual game in preparation for the state meet.

Senior Steve Goldschmidt, a returning top player said, "Southeast's team was the only one whose total club returned, and we're considered the Pre-Tournament Favorite of the state meet.

Other high scorers included Russell Cranmer, Dave

Hoelscher, and Brian Pistotnik.

On December 2, the National Forensics League sponsored the Southeast Tournament.

"The N.F.L. spent most of the year rebuilding, updating their point system and raising money," said N.F.L. President Jay Durmaskin.

Southeast also hosted a novice debate tournament in December, sponsoring schools from around the state.

# O.E., D.E. prepare students for jobs

Office Education and Distributive Education prepare student's for future jobs in the fields of sales, and marketing, and office skills.

The organizations base their qualification identically in that they meet for one and a half hours of class time then go to their on-the-job training.

O.E. is an organization that offers development of office skills for preparation after high school.

D.E. is an instructional program in the field of market, merchandizing, and management. Along with in-school-instruction and on-the-job-training, the D.E. student's also have various service projects, such as presenting the Wesley Hospital pediatric's Ward with coloring books for the children.

## F.H.A., H.E.R.O. stress responsibility

Future Homemakers of America is a national organization designed to teach its members responsibility and to give them opportunities to practice leadership in the areas of their families and in their communities.

Home Economics Related Occupations is a cooperative education course evolved around classwork and on the job training.

The organization is to give the students an insight to a professional organization in home economic related careers.

The students work a minimum of 15 hours a week on their individual jobs, and are evaluated by their employers to help determine their grades.

# Clubs meet in foreign tongues

Perhaps the most important event for the foreign language clubs was the Foreign Language Banquet. The banquet was a gathering of all students associated with one of the language clubs. To the banquet each club member brought a dish traditional of the country in which the language they were learning is spoken.

Spanish club, along with participating in the banquet, held fund raising drivers. The members of the club sold buttons with the inscription, "Besame. yo hablo espanol", which translated, means "Kiss me, I speak Spanish". Members also held Spanish parties and defeated the German club, in a traditional soccer game, 4-1.

The French Club entertained at

the banquet by performing a play spoken in French and singing French Christmas Carols. The club also raised money through selling candy, and some of these funds went to a Halloween party held for French Club members.

The Latin Club was more inexperienced than the other clubs due to the fact that this was its first year at Southeast. Although newly formed it gave a skit at the banquet and the club boasted 20 members this year.

The German club had a busy year. In addition to the banquet it had many various activities in which it had an opportunity to learn more about Germany and German people. In October members have October-fest. This is

known as the largest folk festival in the world and its purpose is to commemorate the October-fest in Munich, West Germany.

## Band selected to play for Pres.

The Southeast High School marching band was the official band chosen to represent Wichita during President Carter's visit. The Carter staff and Wichita B.O.E. administrators chose the SE band out of all other Wichita high school bands to provide musical entertainment on a high quality level. "We were chosen to represent the Wichita area because many people consider us one of the finest bands in the area," said band director Steve Luttrell.

Luttrell also directed the Pep Band. Members of the pep band consist of a select group of students who have excelled in their individual instrumental ability and are brought together in a 20 member band to play at all pep assemblies and home varsity basketball games.

The marching band supplied formations played popular tunes on the field during halftime at all home varsity football games.

# School orchestra plays under city conductor

The orchestra, in participation with East High School's orchestra, gave a joint concert under the direction of Michael Palmer, Wichita Symphony conductor. In addition to this the orchestra also took part in many choral performances, such as Vespers and The Messiah. The orchestra, with 50 members, are instrumentalists, and include string players who perform ensemble music.

Stage Band, a 50 member assemblage that met everyday during seventh hour, concentrated mainly on jazz and jazz rock. These students that have surpassed their required expectations qualify for a position in the group.

## About 120 sophs. join vocal music

Among the extra choices that sophomores confront when they enter Southeast, is the choice of whether or not to join the Music Department.

About 120 sophomores enrolled in sophomore choir, and then some went on to join mixed and/or girls ensembles.

Sophomore Choir President Danny Decker said, "I think the sophomore group is basically learning their first year, and performing more when they're juniors and seniors. Really, right now Mr. Nicholson is just getting used to us, and we're getting used to him. The only performing really is Vespers and the city contest in February."

## Men join Invitational

The 34 member division of Men's Ensemble united with the Jr. Misses and Madrigals for the annual Christmas Invitational. Their performance added a unique variety to this holiday event.

The Jr. Misses kept a busy schedule, with various performances, such as for women's organizations, churches, and rest homes. They also shared the holiday fun as they coupled with Men's Ensemble for Halloween and Christmas parties.

# Choral groups blend together

The Calendars were full for the select group of vocal students titled The Madrigals. They sang for civic and community groups, business clubs, and office parties to name just a few. The Madrigals are chosen on their ability to sing and dance, and they also must be able to blend within the group to achieve the best possible effect of their versatile singing. In October they hosted the Madrigals from all the Wichita High Schools for their annual Madrigal Invitational.

Many vocally inclined students woke to music as they spent the first hour of the day achieving harmony with 129 other singers. The Choraleers performed throughout the year, and had much to do around Christmas time. They performed their annual Christmas Vesper's, which consists of religious numbers and also had the honor of singing with the Wichita Symphony at Century II for a seasonal presentation.

# Faculty, students work together

Dr. Vernon Kirby has been principal at Southeast for five years. Before coming to Southeast he was a principal at Lindsburg High School, Truesdale Jr. High, and East High School. He was also a vice-principal at East. Dr. Kirby said he decided to become a principal because he was a science teacher before becoming a principal. He feels Southeast provides a good education for students, but the students don't realize this. Dr. Kirby said, "It is important to have a good faculty - student relationship. I don't get to spend as much time with the students as I do with the adults." He feels that this is bad, because the students don't really get to know him or the operation of the school. "The students need to work with the faculty," he said, "in order to have a smooth function in the school."

Vice principals are Merlin Keely, Willie Johnson and Don Wright. Keely is the Associate Principal, and takes Dr. Kirby's absence. Wright is an assistant principal, and works as the athletic coordinator. Willis Johnson is in charge of school operations.

## Help offered in many ways

Counselors, librarians, and the office staff help the students in many ways. The counselors assist the students in college planning and give guidance to aid students in their present schedules. A familiar sight in the library are the librarians, helping students to find the books they need. The library is open before school, after school and a half hour during lunch.

The office staff performs many varied tasks to help keep the school running smoothly. The nurse, who gives students hearing tests their sophomore year and vision tests their junior year, also keeps students on a daily basis.

## L.A. Dept. offers many choices

To be or not to be in English class is a choice not given to students. English is a required course for most students. In addition to English, other courses are offered in the Language Arts Department. Included are journalism, debate, and forensics. There is also a special English class, offered to students who came from foreign countries, called English as a Second Language.

# Teachers work with fine art

Fine arts give the students the opportunity to express themselves creatively. This year the ceramics classes had a sale called the Thieves' Market in which the students in the ceramics classes donated one of their objects they had made and sold them at the market.

Drama students presented various plays this year. One of the plays, "Sugar," was a benefit and not a Southeast production. They also presented "Deadwood Dick" and "You Can't Take it With You."

Other courses offered in the Fine Arts Department are Art History, Humanities, Introduction to Art, Drawing and Painting, Design, Band, Orchestra, Theory, Chorus, Crafts — Jewelry Crafts, Fabrics, Stage Craft, and Photography.

1. Steve Luttrell - Orchestra, Theory, Stage Band, Band III, IV. 2. Mike Schlyer - Ceramics, Photography, Crafts - Jewelry, Crafts - Fabrics. 3. Tom Frye - Stage Craft, Drama I, II, III. 4. Mike Kelting - Government, Psychology, Anthropology. 6. Louis Bourlard - World Geography, Government (Team), U.S. History. Terry Gire - Sociology, U.S. History, Government (Team). 7. Richard Young - U.S. History (Honors).

# Soc. Studies required

Students made good use of the social studies classes that were offered this year. Students are required to have two credits of social studies, two of which must be U.S. History and, for half credit, government. Other classes offered are anthropology, which deals with dealing with the relationships of humans, and psychology, which is the study of the mental aspect of man. World Geography, Russian History, Comparative Religions, and International Relations were also offered this year in the Social Studies Department.

1. Glenn Clark — Biology, Botany.
2. Jim Madden — Chemistry I, Geology, ISIS.
3. Floyd Bayer — Aeronautics, Chemistry I, II.
4. Roland Long — Biology (Honors), Zoology.
5. Walt Lohrentz — Biology, Physiology.
6. Marion Hodges — Astronomy, Physics, ISIS.
7. Kenneth Smith — Biology, ISI S.

# Science classes hunt answers

Science offers many courses to the interested student. Besides taking the required science course, many students are taking advantage of the other courses offered. The Science Department offered classes that dealt with specific areas of science. Astronomy was one of these classes. It dealt with the studies of planets and stars. Chemistry deals with equations and uses of substances. In biology students learned about plants and animals, and zoology deals with the study of the animal kingdom. Other classes that were offered were aerodynamics, botany, physics, physiology and geology.

Noland Wallace - Trigonometry, Analytic Geometry, Geometry, Algebra II. 7. Jack Lamson - Geometry, Extend Algebra, Introduction to Algebra.

# Math Dep't. offers variety

The Mathematics Department offers a wide range of classes. Among the classes offered are geometry, algebra, trigonometry, and Analytic Geometry. Basic Computer is also offered in the Mathematics Department. Basic Computer students learn how to run the computer and have it do various equations. For the more challenging students, there is Computer Algebra 2. In this class, the students learn both algebra and computer programing.

# Bus., Language prepare students

Since Foreign language courses are not required for graduation, it's the student's choice whether or not to take them. Southeast offers French, German, Latin, and Spanish. "There is a fair enrollment," said Helen Hiebert "in the foreign language classes this year. However, there could be more. This year we had a student exchange program with some students from Mexico. Some Spanish students went to Mexico and then some students from Mexico came here during Easter," said Helen Hiebert, Latin and Spanish teacher. Foreign language classes aren't always work. Once in awhile some of the classes had gotten together to play soccer, an international sport.

Accounting, shorthand, typing and recordkeeping are some of the classes offered in the Business Department. The business classes help prepare the students entering the business world.

1. Charles Comfoit - Auto Information, Home Mechanics. 2. Doris Mayhew - Food Management I, II, III, IV, Consumer Education. 3. Gene Peppernorn - Clothing Management I, II, III, IV, Child Development, House and Design. 4. Randy Kasper - Woods I, II, III, IV, Drafting I, II. 5. William Draut - Driver Education. Bill Means - Driver Education. 8. Jim Elgin - Drafting III, IV, V, VI, VII, VIII, Visual Communications - Photography.

## Various skills taught

In industrial arts, home economics, and drivers' education classes students learned various skills. In drivers' education, students learned how to drive and to drive safely. In the industrial art classes, students learned mechanical skills which could aid them in selecting a career. Students learned the fundamentals in such classes as in drafting, plastics, woods, metals and auto information.

Some classes offered in the Home Economics Department were consumer education, which prepared the students to be well informed customers, food management, which helps show students how to cook, and clothing management which taught students sewing skills. Two other classes offered were home and family and child development.

# P.E. Department offers new class

In the Physical Education Department, a new class was offered. This class was designated for juniors and seniors only. The class gave the students the opportunity to participate in various sports. The class was offered during sixth hour and among some of the sports offered were archery, bowling, basketball, ping pong, swimming and tennis. All P.E. classes were co-educational, and two credits were required for graduation.

1. Jim Givens-Physical Education.

# Staff adds to school

The security specialists, cooks, and custodians contribute a lot to this school, but receive very little recognition. The cooks have to get up early in the morning and come to Southeast to prepare breakfast. After breakfast is taken care of they prepare for lunch. The cooks give the students the choice of either staying at achool for lunch or going out to lunch.

The custodians aren't often thought about, but their accomplishments can be seen. The custodians are here working during the school days, after school and on the weekends. The custodians sweep the halls every day during classes and also clean the walls as well as perform many other tasks.

The security specialists are here every day to help in a number of ways.

Security Specialist Sylvester Wilson said, "Security is the best thing that can happen for the student body. We are the students' helpers and protectors. We serve a great deal of purpose in the school's function. We give a 100 percent for the students, and we enjoy working with the students very much. I might add the students are cooperating much better this year than in previous ones."

# Homecoming traditions change

Several traditions were broken this year during the annual homecoming festivities. The voting tradition was changed to allow juniors and seniors to vote for the king and queen, and the traditional queen candidate parade around the track at the football game was broken because the game was held at Friends field, which doesn't have a track on which part of the traditional halftime ceremonies would have taken place.

Jim Dodd was announced king Friday, October 21 at an assembly hosted by KEYN disc jockey Cliff Brothers. That night at the game, Jo Ann Chang was announced queen.

This years king candidates were Darrell Butler, Chris Clinton, Jim Dodd, Danny Downs, James Downard, Bruce McGregor, Bret Reynolds, and Weston Schartz. Queen candidates were Jo Ann Chang, Paula Cook, Lydia Hale, Joan Howse, Karen McBride, Linda McNeil, Jan Myers, and Carlota Ponds. Candidates were nominated by the participants of the fall sports, banner girls, cheerleaders, and pompon girls.

The dance was held the next night Saturday, October 28. After much debate the dance was held in the school cafeteria.

"Choices were really limited. It was more of a dilemma than a confusion," said Lisa Goldman member of the homecoming committee. "We didn't get an early enough start."

# Runners-up added to Sweetheart

The sweetheart king competition was the closest it has ever been in the annual event. With the lead of about five votes, Mike Boswell was announced 1979 Sweetheart King, Friday, February 23 at the assembly held in the gym.

Chuckie Allen was the first runner-up. This was the first year in which runners-up were chosen.

Shari Jenkins was crowned 1979 Sweetheart Queen during half-time activities at the annual basketball game, and Penny Gruber was the first runner-up.

King nominations were made by cheerleaders, pom pon girls, banner girls and girls' basketball members. The King nominees were Chuckie Allen, Mike

Boswell, Scott Brunner, Keith Carthen, John Jaedicke, Chris Poe, Steve Sloan and Brad Stout. Queen nominations were made by boys' swimmers, wrestlers, boys' basketball players and yell leaders. The nominees for queen were Renee Abderhalden, Carolyn Bruce, Penny Gruber, Shari Jenkins, LeAnn McCraw, Lori Miller, Susan Quasebarth and Ruthann Rees.

The game was played against West, in which Southeast won 82-69 and ruined West's chances for a city title tie with Heights.

The dance was held Saturday, February 24 at Wichita State University in the ballroom of the Campus Activities Center.

# Dept. performs two comedies

The Drama Department's first performance was the melodrama "Deadwood Dick," which was the first melodrama presented by a Southeast Drama Department. The story featured a villain, Nasty Ned (Brian Gunter, senior); two heroines, Lily Blossom (Lisa Hilts, senior) and Rose Blossom (Tammy Pumes, senior); and two heroes, Stainless Steel (Mike Roark, junior) and Wild Bill Hickok (Corey Wilson, senior).

The story is based around the villains' attempts to look at the map of a secret gold mine, which is branded on the back of Lily Blossom.

On February 15-17, the Fine Arts Department performed the Hart/Kaufman classic "You Can't Take It With You." The play is set in the home of a very eccentric family, the Sycamores. Everyone in the family is somewhat strange.

The conflict arises when Alice Sycamore (Lisa Hilts, senior) wants to marry Tony Kirby (Bif Middleton, senior), the son of a rich businessman. When Tony's parents visit the strange Sycamore family, chaos and comedy result.

Other people who starred in the comedy were Pam Weidenhaft, senior; Mike Roark, junior; and Sondra Williams, senior.

1. LaPaloma (JoAnn Doffing, junior) watches as Nasty Ned (Brian Gunter, senior) tries to throw Pong Ping (Mitch Stocker, senior) around the room. 2. Calamity Jane (Pam Abraham, senior) tries to protect her saloon from Teetotal Tessie (Sondra Williams, senior) and her brigade. 3. Brenda Crouse, senior participates in the acts that were added to the play. 4. Tony Kirby (Biff Middleton, senior) looks at Mr. Kolenvok (Kyle Keller, senior) as he greets Alice Sycamore (Lisa Hilts, senior). 5. The cast of "You Can't Take It With You".

# Sophomores showed spirit throughout year

"The Sophomores are going to be the best class to graduate," predicted Jeff Long, sophomore class president.

Sophomores started at Southeast with spirit rising through the honk parades and breakfasts, which the upperclassmen provided for them.

Jeff Long said: "I'm sure the sophomores will look forward to the next couple of years."

Sophomore president, Jeff Long, directs at a StuCo meeting.

## Class cry part of junior spirit

JUNIORS

This was the cry of the junior class as its spirit was let out through many activities.

The juniors participation and contribution added to the overall spirit of the '79 school year.

The challenges they met were great, but their "wild and crazy" manner got them through.

Junior Class President Cathy Consolver said, "One of our major goals was to unite the junior class so that the year would be a memorable one."

# Class of '79, 'they'll go far'

The measuring of caps and gowns . . . shopping for something to wear to dances . . . senior pictures being taken and the last minute preparations for graduation have assured the end of 12 years of school for the senior class of '79.

Student Body President Jimmy Dodd, senior.

The seniors this year have shown their spirit in many ways. Pep assemblies, attending games and the large task of planning the prom have been just some of them.

There are many different roads ahead that will lead to decisions many haven't had to face before. The knowledge that has been gained will be helpful. Leaving Southeast will be sad for some, but the experiences left behind will never be forgotten.

"First of all, in all honesty, I think the senior class is the best to come through Southeast," said Student Body President Jimmy Dodd. "The senior class this year has lots of leaders with great potential. I know they'll go far."

## Buffaloes win 6-A championship

The Buffaloes marched to their third straight state title by defeating the Lawrence Lions 28-6.

"I think we played well because of the togetherness of the players," said Varsity Football Coach Dennis Cavalier.

The Buffs finished with a record of 10-1 after losing opening night against Carroll. They then went through city, winning every game by at least a touchdown, and by beating Kaupan Mt. Karmel 7-0 in the annual rivory.

"The defense did an excellent job," said Cavalier. "We fumbled several times inside our 20 and we held them from scoring."

This was the team's third game on an artifical surface. The reasons for so many fumbles was that it was cold and wet, said senior Tim Vlamis, offensive starter.

"At the beginning of the season nobody thought we could win state. But at the end of the season we proved that we could," said varsity quarterback Bret Reynolds

## JV holds 29-0 record

The junior varsity football team finished its season with a perfect record of 8-0, and the team has one 29 consecutive games.

"The team had problems trying to find tough teams to play. Three teams forfeited," said coach Bruce Dehaven. "Our toughest game was against Kaupan Mt. Carmel, which we won 26-14." Junior Reuben Eckles, the only junior varsity regular who started varsity, played tailback and started on defense. Other team members got in the closing periods of several games.

"A lot of them got valuable experience, which will help take over for graduating seniors" said Dehaven.

5. Tom Matthews, jr., awaits signal for kickoff.

# Teams have winning seasons

Competing in state the year the boys Cross Country team went as a team not as individuals. The team finished fourth this year in Regionals, qualifying for state.

"They were a super bunch of young men," said coach Jim Givens. "For their talent they did a remarkable job. All but three of the boys will be back next year."

Sophomore Stephanie Phillips, the only girl cross country runner from Southeast, placed 27 in state out of 60 girls competing.

Sophomore boys' football team finished with a record of 8-1, losing to South.

"We had a good team, and next year we should be able to help JV and Varsity teams," said Mike Boughton, sophomore. "I hope next year sophomore team will be as good as ours was." said Dan Decker.

Second row, from left - David Wycoff, Rob Cohen, Jim Hansan, Doug Cranmer, Brian Smart, Jim Downard, Coach Givens. 4. Jr. Bill Faflick sprints to the finish line.

# Team has promising season

"The team was working hard and had a really good season," said head coach Jim Givens. The team went into the North Invitational with a five and three win loss record. Givens was hoping to go into the tournament with a six and two record, but the team had an unexpected loss to East two points. The team's other two losses were to Heights and South.

"We are the best team in the city," said Givens, whose team held the opposition to 62 points per game. The boys practiced everyday after school for two and a half hours and worked mainly on defense and did a lot of running.

The team won because they are "very quick," "played man to man," "and beat them on the boards," said Givens, the team was in second place and hoping that someone could beat Heights to put the city race into a tie.

1. Bobby White, sr., show technique on jump shot. 2. Shooting for two is Chuckie Allen, sr., against West opponents. 3. Greg Williams await, rebound from free throw. 4. ## Teams start behind

This year the sophomore basketball team started at two weeks behind because of the state football game schedule.

"Right now we're playing well, but we're lacking experience and the timing we need," said Jeff Long, soph., said mid-season. "We'll be better at the end of the season, we have a good team and coach."

The team who is behind two weeks feels that they just lack practice and they don't know each others moves yet.

"They're a very unselfish team. If they continue to improve defensively, they could be very good, said J.V. coach Bill Means. "We expect a very good season."

The J.V. team, anticipated a good season and a tough game against Heights, then J.V. team which consisted mostly of juniors and several sophomores.

"We do a lot of pressing, because we have such a quick team said Johnny Quick, junior. "As long as we all get along together and play as a team, we ought to be pretty good and place high in city."

Back row, left to right: Coach Ed Shigley, Gladys Trotter, Suzanne Harris, Monica Vaughn, Rochelle McDowell, Jennifer Fry, Leslie Burton.

## Girls' teams had slow start

The girls' varsity and junior varsity basketball teams didn't start the season off as well as they would have liked.

JV player Kristen Redman, junior, said, "We could have played better if there was more team work. When several people do all of the shooting, there can be a problem."

Playing on the junior varsity team were several girls attending Coleman Junior High School.

Varsity Coach Tom Sawyer said the reason for their wins was "full court press".

Most of the varsity losses were by close scores. However "we needed to improve on team work and passing". said varsity player Julia Schaefer.

# Water Buffs almost undefeated

Back row, left to right: James Gundersen, Vic Lovan, David Urban, managers Linda Smith, Melissa Smith. 4. Coach Drowatzky setting the pace clock for swimmers. 5. David Urban, soph. swimming butterfly in a race.

The boys' swim team, which lost its first duel, went undefeated the rest of the season. The team was made up of 13 boys, with only two seniors.

"We've got a really good team," said Brad Wells, jr., we picked up a lot of guys from Wichita Swim Club and that helped."

The boys worked out everyday after school for two hours and four times a week before school in the morning, starting at 6, swimmers swam an average of 10,000 yards a day. The team also worked out every Saturday.

"The way it looks now, we should win city and have a good chance at state," said Scott Brunner team captain.

The water Buffs lost their only duel against south at south, 53-13.

# Many return for swimming, track

"The mood of the team was very positive, and we had anticipated an excellent swim year", said Terry Gire, girls' swim coach.

Practices began February 19 and the girls practiced everyday for two hours. Optional practicing was in the mornings, and sometimes Saturdays.

Gire said the returning squad was strong and confident, and the new team members were exceptional. The diving potential was quite good too, with several returners.

"The strength of the team is not only quality, but also depth," said Tom Sawyer, coach for girls' track.

"City tournaments were tougher this year, because of the new school. I was proud of my team last year, because of its spirit and togetherness. This year's team was another superior," Terry Gire.

Last year the team finished eighth in the state, where there were 16 schools competing. Toni Smith and Karen Pulliam showed great performance. Toni Smith was the only SE girl to get a medal in the KU plays, competing in the 100 yd. dash, although others did well!

The returning letter women were: Toni Smith, Karen Pulliam, Caren Crawley, Dana Christian, and Angie Selmon.

1. Girls Swim Team: front row, left to right: manager David Urban, SueAnn Pennington, Melissa Hiebert, Tracy Wood, Anne Wells, Kirsten Hanssen, Kathy Kubik, Karen Benson, manager Danny Decker. Girls Track Team: left to right: Julia Schafer, Dana Christian, Karen Pulliman, Kirsten Redman, Dondra Malloney, Toni Smith.

# Team anticipates winning season

Coming back from being ranked number one in the nation, the boys' baseball team was expected to place well in city and regionals. This year's team had four returning lettermen, Weston Schartz, Mike Boswell, Mark Reynolds and Bret Reynolds, who all batted over 300 last year.

"The quality of the kids is as good as we have had," said Jim Deckinger, head coach. "Last year's weather didn't hurt us, because they were all starters, but if it stays bad it could really hurt us."

This year many students tried out for teams, and coach Deckinger feels that the enthusiasm is very strong.

Teams for the Buffs to beat this year were North, South and Carroll, which all had a chance to be city champions. The Buffs practice started March 12, but the players had warm-ups and exercises during the winter. During training they practiced every day after school for several hours.

"This year's team was just as good as last year's in defense, but lacked in pitching," said Jim Deckinger.

1. Mike Boswell, sr., works on his batting style. 2. Warming up for baseball practice is Weston Shartz, sr. 3. Weston Shartz, sr., awaits pitch. 4. Boys baseball team: front row, from left; Mike Inman, Weston Shartz, Bret Reynolds, Jeff Wellner, back row from left; John Glenn, Mark Winterburg, Jeff Brogan, Richard Smith, Brandon Greer, Roger Pennington.

# New coach inspires hope

Finishing fifth at city, the girls' volleyball team went on to finish second at the regional tournament. Returning for the team were seniors Julie Schaffer, Donna Flug, and Sara Ritz.

"Things look real good for next year," said junior varsity coach Marilyn Morris. "Our team won six matches and lost two and we went on and tied for second in city."

The team consisted mainly of juniors, which could make for a strong team next year. Practice started August 17, when the girls worked out everyday for two and half hours. They worked mainly around the walls and on volleys.

The girls' softball team anticipated a good season, with the aid of new coach Marsha Olmsted, who has experience in national competition. To keep up with the Kansas City teams, the softball team had to play double-headers to gain experience.

"We don't have many seniors back this year. It will be a rebuilding season," said Marilyn Morris, coach.

Practice started March 12, but the girls trained several weeks before that, lifting weights and running, Morris added that this should help the girls a lot.

The boys' wrestling team looked forward to a promising season, as 11 boys returned to the team.

"Leadership is the major part of a team. This year many sophomores and freshmen showed responsibility and leadership" said wrestler Pete Schmar, sr.

In the grapplers' last duel, the team won five weight classes with two juniors. Todd Johnson, in heavyweight, and Dan Wegner in the 155 lb. class pinned their opponents for new school records. The team consisted of 25 boys with 11 returning, and practiced every morning before school at 6:30.

"We have a lot of sophomores out this year, and when they get more experience we should have a really good team for next season," said Todd Johnson.

# Girls' teams go to state

After tying for first with Kaupan Mt-Carmel in the city league meet, the girls' tennis team, coached by Jim Elgin, won the regionals.

Taking first in the singles competition was junior Lisa Goldman, winning 6-2, 6-3. And in the doubles competition, juniors Laura Longborg and Lori Miller won 7-6, 7-3.

"We did as well as we could at state but we were outclassed," said Elgin.

In girls golf, juniors seemed to be the answer; as Peggy Padgett was the top player on the team and kept a good average. Other members were Rosalyn Coffman, LeeAnn Chambers, Kris Harterstein, juniors, and Missy Kaser and Terri Taylor, sophomores.

1. Peggy Padgett, jr., follows through on a drive. 2. Girls' Golf Team: From left - Rosalyn Coffman, Terri Taylor, Peggy Padgett, Lee Ann Chambers, Kris Harterstein. 3. Lisa Goldman, jr., demonstrating a forehand, groundstroke.

# Teams have rebuilding season

The boys' track team looked quite promising this year. The team started off the season with 21 returning lettermen, which gave them a good chance for the city title. The team was coached by Floyd Bayer, who took over for Harold Brandenberg, who went to Northwest.

Karl Monger, Bruce McGregor, and Jim Downard, seniors, led this years team.

In golf, coach John Dawkins felt his team had a good chance of placing high in city. The team lost three of its starters, but had Steve Sloan, Chris Clinton and Steve Newman, seniors, returning for the team.

The boys' tennis team also lost several starters, but returned with the top five players for this years team.

Leading the team were seniors Adam Beren and Edgar Dunne, juniors Thomas Owens, Rob Merritt, and Terry Ventress, and sophomore David Goldman.

1. Bill Faflick, jr. runs for endurance.

# Gymnasts reach new heights

The boys' gymnastic team finished with a record of 6-0 in their dual competition. This is the first year in Southeast's history that the boys' gymnastic team has had a winning season. To top that, the team also won city and regionals, and finished fifth in state.

"The team was fantastic," said coach Rick Pappas. "The leadership that they posses is greater than any level, that includes college."

Half of the team will not be returning, but Pappas hopes to get many sophomores and freshmen interested in the team. He feels the team next year will be rebuilding.

"The most important thing that brought our team together was Miss Ward," said Joann Chang, senior.

The team sent Linda Knickerbocker, junior, and Chang to state. Both finished in the top ten.

This year the girls' team was coached by Doye Ward. It was her first year to coach in the school system.

"They were a super bunch of girls and I have enjoyed coaching them," said Ward.

1. Girls' Gymnastic Team: Front row from left - Mendie Matthews, Karen Hinnels, Linda Knickerbocker. Second row from left - Joann Chang, Adela Ammons, Cheryl Olden. For all you unfortunate people who've never had the privilege of having eavesdropped on a yearbook staff, we've decided to bring conversation segments to you, otherwise known as "famous deadline words"

you're gonna write copy for the contest? Oh how boring... Why won't this headline work? It's just an inch too long . . . Happens every time. I do a layout and you re-do it! . . . I don't believe you, I'll ask Mrs. Libeer . . . Why do you always hate my copy? . . . When are we gonna get a real editor? . . . What do you mean I've gotta have all my pictures ordered by the end of the week? Some aren't even taken yet . . . Don't worry! I'll get done . . . Oh, you're so weird . . . Why can't the editor realize just a little? . . . You're just too picky. I can't wait until you write copy, I'm gonna read it and pick it to pieces . . . I can't do it . . . How do you get out of the locker room? . . . Who threw the masking tape on top of the light? Get it down . . . Please don't kill the photographer? at least until he prints my pictures . . . Just don't talk to me . . . Will you go with me to get copy? . . . Mrs. Libeer would you believe we had car trouble? . . . Can't I just pretend he said it? . . . Guess what happened to Kelli and David. They got lost on the way to the zoo . . . But I don't have time . . . Looks like we're going to have to stay after school and work. Better bring your sleeping bags . . . Oh . . . Rrrring! Rrrring! Rrrring! Rrrring! Somebody answer that phone! . . . You mean I've gotta be here at 8:30, on a Saturday morning? . . . All right, who glued the box to the table? . . . Well, well, well . . .

We would like to give a special thanks to Tony Pike and Carolyn Priess for their art work and JoAnn Chang for her help with the photography.

So . . . thus ends the year. For some, the end of the year means only the beginning, as college, job, and marriage is just through the next door. And with these things come more choices that have to be made: where to go, how to get there, what to do when we get there, and then how to pay for what we do.

It would be nice, if when given the questions, all we would have to do is answer with a hasty A, B, C or D, and not worry about getting a few wrong. But that's not always the best way to do it. One wrong choice on a major question could affect the rest of our lives.

Even if you aren't a senior, there are million questions that have to be answered. That is something you can't escape. It's as simple to understand as

A  
B  
C

Stacey,

I really shouldn't write in your year book. I mean after all, you didn't give me a page! Oh well, since I am your "mommy" <sup>(You're my hija)</sup> I guess I'll have to forgive you, this time. I guess I just have to write here on Mike's age. (Sorry Mike). God what a year this has been.

New school, new friends, new teachers. Good teachers leaving bad year. In that respect maybe but lets look on the bright side. (There is a bright side) Let's see. You and I renewed our past friend ship, which, to me, seemed to be fading a little. You got your <sup>AR</sup> I got my divers licence (I can't spell that word) Well, Auntie <sup>Mike</sup> and cousin <sup>Red</sup>. And Tim I guess. And even if Mr. Nick is <sup>leaving</sup> we got him for one year. Who knows, maybe he'll get bored and come back!? Oh well, it was just a thought. Let's see, there always the Moody Blues concert which was great. And my kidnapping which was infuriating in the beginning but o.k. Once I got used to it. short pause to let <sup>Mike</sup> finish writing) Well, what else, Dennis, I guess. That's good and bad. You at least got to know Steve C. and <sup>Mike</sup> has Steve G. That's about all I can think of but then I don't

remember much from the beginning of the year. This year, mostly just the past couple of months has been cause for much thought on my part. Lots of internal arguing. I am so glad that you and I got the chance to reknow each other. For awhile I thought we wouldn't and I was really bitter. I did say some bad things about you and I'm sorry. Maybe I meant them then but I don't now. I can't say that I disapprove of all the things you do. If I did, I couldn't do them myself. The best can't ring two not done. Oh my, what a mess. Anyway, I guess there's not much more to say. I've lost my train of thought. Someday we'll have a chance to double date heaven only knows with whom, oh well, ~~we~~ only two more years of this garbage. We'll have to keep in touch this summer because the last time we failed to ~~we~~ we drifted apart. So we'll have to drag <sup>in</sup> your Spyder sometime! Kup Sweet hija.

Your  
Mother  
K.M.

P.S. Don't party too much or I might <sup>forget</sup> you & A.A.

Stacey,  
well it took me all year  
just to learn your name  
but it's worth it to have  
a friend like you -

Love ya Always

D.S. you still  
have to take  
me out to lunch!

Mike

Myself,  
I really didn't see  
any of you this year  
but a few years ago we will  
have more classes together  
until then have a great summer  
Michael  
Frankfort

Stacey,  
I can't

My dear Mr. & Mrs. B.  
I am very sorry to say that I  
will not be able to attend  
any more classes to  
have a good summer  
vacation. I will be  
available for you  
in the fall if you like.

Stacey,  
I can't say too much  
because I don't know  
you too well. Anyway, I'm  
glad I got to know you. You're  
really sweet and I hope  
we stay friends. Good  
luck in whatever you do.

in whatever you do

Alright! Alright!  
if you will let me  
sign your yearbook  
I'll sign yours I really  
hope you can  
but anyway I really  
hope we will get to  
see more of each  
other and have more  
Good Luck

Stacey  
We have been friends for so long. You're really very special person. You can feel free to call me and spill your guts any time I'll listen to ya. Stay crazy and <sup>the best</sup> HI.

Friend always  
Sonia P.

Its been really fun  
knowing you this year. I'm  
really glad I had you as my  
teacher. This summer I hope to  
spend with my mom.  
Love  
Tracy O.

O.k. Stacey,

I'll sign your yearbook.

Well, glob (I'm sorry that's very cruel)  
how've you been doing this year, I've  
hardly heard a peep from you all year.  
Nothing wrong with that considering you're  
not a chicken. Oh well, see you next year.

Stayin' I really know you  
I really know you  
don't know but a  
that we been a  
super good  
friend we can get  
- hope we this summer  
together some things  
and do some fun  
and been real  
Its been you. I always  
knowing we can  
hope we can  
be good friends.  
be good friends too  
Ellie tell me too  
Ellie for you. Ellie for you  
Ellie for you. Ellie for you

A simple line drawing of a dog's head and upper body. The dog has dark hair on its back and a light-colored face. It is wearing a blue collar with a small tag attached. The drawing is done in blue ink on white paper.

Stacey,  
It has been  
you these past few years.  
I hope we continue to  
be friends throughout  
high school & our young  
years sweet.  
Your friend  
Angie Miller

You're a really sweet person. Thanks for helping in Biology! Hope to see you next year!

S. The letters  
you all hold dear  
back through them  
were pretty  
funny! To receive  
of class, hope will  
be mine. See you

P.S. The ticket

To a very good  
boy

that gets angry every day.

well I hope I don't see you next year (just joking)

P.S. I've always had a secret crush

on your feet. your hero

Stacy  
I hope you have a  
good year. We're  
going to have a great  
year. I hope we get  
together next year.  
Somehow we're  
not classes together.

Stacey,  
It's really been fun  
in Biology (just because  
of Biology) but anyway  
maybe I'll learn the  
correct way to get it!  
I hope so! Anyways  
it's been fun!

I hope to see you  
next year,  
Your  
Becky!

Rules

To a very nice  
young lady. It's been  
fun having you in  
an English class. I hope  
you don't change because  
you're just right as you  
are! Stay sweet and  
keep your stuff together!

Mr. L. Tony Harper Jr.

Stacy,  
It's been good knowing  
you for the past  
two years and  
I hope to see you  
next year. Don't party  
too hard this summer

Later on

Hi!  
I'm glad I had the  
opportunity & pleasure  
of meeting you. You  
are a sweet, cute, lovable,  
terrific, crazy, wild,  
interesting, unique girl.  
(Think I put enough.)  
Hope to see ya during the  
summer & next year. Good  
luck with your future.

Love Ya,  
Shirley Sagerly '81"

Stacey - nice & sweet  
You're really nice & sweet  
I'm glad that we got sit, rest  
to each other in music. Have  
fun this summer! I'll see  
you next year as big juniors!

Love, Shirley

Welly  
Here I am  
in the break  
room of Johnson  
Footwear! Well,  
it's been a  
great year except  
for those occasional  
days. It's not  
that I mind but...  
Hi David! (gettin'  
kinda cramped)  
Don't say it so  
loud!!! There... got  
that out. Well, have  
a fun summer,  
and I'll see  
you at work!  
Dave Mulligan

You're great with  
Stay cool good luck  
With Dennis and give  
him strange, up on him  
dinner, I'm getting  
the readers to know you is been  
an experience to remember  
as always  
Kelly

Stacey, I'm really glad  
you're here & I hope  
you will stay  
next year! Take care  
and see you  
next year!  
Sincerely,  
Shirley Sagerly

Stacey,  
Thanks for being such a great  
friend & more. Had a lot of  
fun at the Marshal

Tucker Band. Your brother's  
a real neat person, &

maybe that's who  
you take after. Stay  
the way you are!

See you this summer  
& next year, your friend

Shirley Sagerly

The best and most outstanding achievement during my stay in India was the work done by the Indian Statistical Institute at Calcutta. It is a great institution which has made a significant contribution to the field of statistics. The work done by the institute is highly commendable and it has helped to develop the field of statistics in India.
